Starting A New Project in NoodleTools

Step 1: Click on the Noodletools link on your Libguide Home page or find the link in our A-Z Database list at http://ncs-cathedral.libguides.com.

Step 2: Log in using the username and password you created.

Step 3: Click on the button + New project on the right side of this new page.

Step 4: Fill out the New Project form.

Select MLA under Citation style.

Select Junior under Citation level.

Give your project a title.

Step 5: Click Submit.
